Enon Chapel Baptist Church would like to invite all of Onslow county's school age children to join us once a week for a creative and educational co-op. During this challenging time our church family would like to offer educational support through quality tutoring, along with some creative outlets such as art, music and more. Each hour children will have the option of choose between tutoring and a creative class that is designed for their age level.

Each class will last 50 minutes. To ensure social distancing, space for each class is extremely limited, only 10 students per class. Each person coming into the building will be required to have a mask and their temperature checked.

To sign up or get more information join us on  
 Friday, October 3 at 10:00 or Monday, October 5 at 10:00  
 At Enon Chapel Baptist Church's fellowship hall  
 Sign up sheets and more information can be found at [Enonchapel.com](http://Enonchapel.com)
